

Appl. No. 10/047,078
Amdt. dated September 16, 2003
Response to Notice of Allowance September 3, 2003,

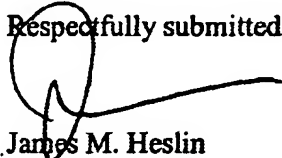

PATENT

REMARKS/ARGUMENTS

An error in the drawings as filed is being corrected. The drawing specification refers to only Figs. 1-9. Figs. 9-12, as filed, were superfluous. Fig. 13 as filed should have been numbered Fig. 9. A new Fig. 9 has been submitted.

Entry of this amendment is respectfully urged since it merely cures a formal defect in one of the claims and does not touch the merits.

Respectfully submitted,

James M. Heslin
Reg. No. 29,541
